Who Created us?

**AN EXTREMELY
TALENTED AND
SOLUTION
DRIVEN
ENTREPRENEUR.**

Mr. Kamlesh Sojatia

Chairman, Sojatia Group

Founder of Sojatia Group which is one of the fastest growing groups running various ventures under single umbrella successfully for more than 25 years in Indore.

He has led his way to make dreams of people turn into reality through his atypical real estate projects. He has partnered Prozone [Joint venture between Intu Properties UK and Provogue] to launch Prozone Sojatia Palms, a world class, one of its kind, fully integrated township spread over 40 acres in prime locality of Indore.

His other real estate venture Sojatia Sherringearth is an ultra luxury residential project of 36 villas in the heart of Indore.

He is also known for redefining education for girls and has laid the foundation of SDPS Women's College in Central India which offers the most unexplored careers and has also established SDPS International School which is known for offering Global Exposure with a blend of Indian Values.

His other project Sojatia farms is launched with the mission of patronizing around 1000 GIR Cows & offers raw, fresh, pure, organic, chemical-free A2 Gir Cow Milk & other products.

His venture Sojatia Bajaj is one of the top dealerships under the flagship of Bajaj Auto Limited.

His sister concerns Acropolis Institute of Technology & Research and Shubhdeep Ayurvedic College are also well acclaimed leading educational colleges of Indore and are best in their domains.

He holds capacity of Chairman, Saket Club, Indore.

He is Patron, Samanvay Parivar, Indore and Director, JITO APEX.

He is also member of Indore Gaurav Foundation.

Mr. Sojatia has widely visited Europe and America on behalf of Government of India for non-conventional energy projects and is also associated with various NGOs, running social welfare activities like developing lakes in tribal areas, assisting earthquake victims, conserving heritage buildings in Indore and lots more.

EXHAUSTIVE 360° Learning Program

We take it as our responsibility to offer the best to our SDPSites and thus we have designed exhaustive 360° Learning Program for them structured by best design fraternity mentors and educationists. Along with class room training we impart knowledge to SDPSites with the help of

Fashion Design

Fashion Design is not simply an art restricted to use of colors or styles alone. Fashion Design is the serious business of foreseeing, understanding and then constantly innovating garments & clothing for changing lifestyles, keeping in mind techniques that set technology & trends in dressing styles. Individuals entering this industry have various career options available.

The course offers :

Practical Learning: Be it the whole design process or historical and contextual referencing, illustration skills, presentation techniques or portfolio building, emphasis is placed on professional practice with students working in a studio full of industry standard equipments.

Study Tours, Internships, Site Visits and Case Studies: Regular live projects set by practicing designers and informative educational visits to industry and centers of fashion excellence are arranged for students to make them get firsthand experience of the field at very early level.

Also, International Internships and tours are planned for students where they learn and get ready to face the professional world with full confidence and complete information.

Career Paths:

Fashion Entrepreneur, Fashion Designer, Fabric Manipulator, Apparel Merchandiser, Fashion Critic, FreeLancer, Fashion Stylist, Accessory Designer, Jewellery Designer, Celeb Stylist, E-Commerce Stylist, Fashion Coordinator, Fashion Blogger, Fashion Consultant, Educator and many more.

International Pathways

University of Bedfordshire, UK
 University of Central Lancashire, UK
 Yale University, USA
 Paris College of Arts, France
 University of Auckland, New Zealand
 Australian National University, Australia

and many more...

INTERNATIONAL INTERNSHIP IN MAURITIUS,

SDPSites are not bound to College Campus for learning but are set free and sent to every part of the world to explore, learn and apply. Internship and Fashion Show in Mauritius is also a part of the same. Selected SDPSites spend around a month in Mauritius to gain cross country knowledge of ongoing trends in Fashion by studying many industries their work culture and innovative methods used by them.

Also, SDPSites collaborate with students of Fashion Design Institute of Mauritius and present Indo Mauritian Collection on ramp in a Fashion Show and in return get a firsthand experience of understanding Mauritian fashion along with a chance of spreading Indian flavors of fashion abroad.

In-Built Certification in Indian Art Forms

We believe in connecting SDPSites with roots of India as the rich culture and traditional art forms of India are accepted world-wide in Design. Indian Textiles and Handicrafts have been acting as key source of inspiration and attracting designers for past several years from every part of world. As a part of our responsibility, at SDPS we have taken up a one of its kind initiative where try to connect our future generations with rich, old culture of India and also parallelly try to protect, preserve and spread the radiance of our magnificent culture to every possible part of the world. We introduce SDPSites to different traditional art forms during their course tenure and provide them certificate for the same. We invite award winning artisans from all regions of India who share their heritage and expertise with our SDPSites and train them and make them understand, love, appreciate and use major art forms viz.

- Wood Carving
- Terracotta
- Tanjore/Nathdwara Paintings
- Bamboo
- Zardosi/Pithora/Gondi
- Paper Mache Masks
- Metal Casting
- Kalamkari/Pattachitra

Handicrafts Museum (Ministry of Textiles)

SDPS is proud to set up a very prestigious project of Handicrafts Museum in India which is sanctioned by Ministry of Textiles, Govt. of India. It's the First National Museum of its kind to be set up in Madhya Pradesh for viewing and conservation of rare handicrafts and handlooms of Madhya Pradesh. The objective of the handicrafts museum is to make a platform through which India's heritage, traditional arts and craft can be popularized among people. The primary objective of the Museum is to collect and preserve objects having excellent beauty of exquisite in craftsmanship and conceptual innovations in design or its functional aspects.

Saksham- Empowering Underprivileged Women

We have been sharing our experiences for past 4 years under patronage of Ministry of Textiles with the industry experts for adoption of best practices and for improvement of the scheme by seeking suggestions based on the problems faced by handicraft artisans and others involved in this sector under R&D schemes.

We have also been conducting "Training through established institutions under HRD scheme" sanctioned by Ministry of Textiles. We have already trained 200 artisans under this scheme in past few years and out of them, mostly have started their own businesses in manufacturing & sales.

Talk Show

It is every year the same yet the very new experience of welcoming new bunch of butterflies to our SDPS Family. The beginning of the new session with arrival of the young and enthusiastic members in SDPS Family brings great verve and excitement in all of us. The same excitement also arises in our new members, when they come from school in entirely different world of college. With this thought we have come up with the idea of knowing feelings of SDPSites about the college life.

MS. PRATIGYA SHARMA
BBA

Q. What was your feeling when you left your school and came to college?

Ans. Ever since I heard about the life out of school, I felt elated about the idea. SDPS has been such a great deal for me, and I reckon it still is. Coming to this college was a mere aftermath of my curiosity, however now I feel it has been one of the best starting decisions of my life. Interacting with teachers who facilitate a full sphere environment for students to grow and inculcate qualities in us step by step is a miracle will go through every day.

MS. SANYUKTA GOTH
INTERIOR DESIGN

Q. What imagination you had about college, before joining SDPS?

Ans. Its but obvious that there goes on many pre assumptions before joining any college which is not too much well known, and so was in case of SDPS... I thought of it as college which doesn't pay much attention to students as most of the private colleges do not. But here also faculty members teach in a proper way with all dedication and SDPS has proven me wrong. This all really wasn't imagined. The way we are taught and managed here is just perfect. The quality of education we are being provided is completely satisfying.

MS. VIPRA MOURYA
B.COM (HON.)

Q. How do you see SDPS as?

Ans. The entire college, its structure, nature of activities, my peers and everything inspires me to work harder and attain qualities that I don't have. It compels me to become a better version of myself with every passing day and year believe that this I would have never experienced in any other college. Being a girls only institute, I have the privilege of learning from powerful and young minds, who believe in the same ideologies as I do and hence it is never a matter of retaliation, but only agreement. My peers always instill a sense of responsibility in me which makes me want to learn, achieve and grow more I wish, by the end of educational journey here. I come out as a shining gem!

MS. SIMRANJEET KAUR
FASHION DESIGN

Q. What do you like most about the college?

Ans. "SDPS" the hub of knowledge, a place with utility and efficient learning. The college promises security of girls, helps in moving ahead towards our objectives. We the students of SDPS look forward for our achievement and success with the college. The college teaches us to work hard and move on path of success. Teachers aim at bringing out latent talent and qualities in a very effective and efficient manner.

MS. NISHA PATEL
EDEXCEL

Q. Did you like the Edexcel Course? What difference you find in this course?

Ans. It is one of the best international courses of its kind & has been awarded with good grade in most recent reports. It gives us the skills & knowledge for year most degree programs in Art & Design. As a student of this course we are eligible for linking to renowned university of the world. It gives broad experience of creative techniques, disciplines & media, to develop abilities & skills & help identify preferred area of study at degree level. We like the Edexcel Course.

Testimonials

Always happy to come to SDPS and see the efforts of the faculty & students to bring about change. Change is important. Fashion is about change, my visit to SDPS is always enjoyable and experimental. Wish the team "Good Luck" to all their future ventures in Design and Fashion.

Ken Ferns

Celeb Designer for shows like Nach Baliye, Big Boss, Jhalak Dikhlai Jaa
